

## Eastside Learning Center Afterschool Enrichment Newsletter Sioux Falls Public Schools

### From the Lead

Its hard to believe that Spring has finally arrived! With warmer weather approaching we are going to try to do a lot of activities outside.

We have a new EA whose name is Angela Flaten. Some of you have probably already seen her here. She just moved here from Northern Minnesota. She graduated with a degree in Early Childhood education. She loves music, shopping, crafts and spending time with her family.

This month we will be raising awareness for Muscular dystrophy by holding a Hop-a-thon. Please watch for upcoming details.

Remember to sign up for our Sumer Camp Program for this summer. It promises new and exciting themse, activities and field trips! For more information or to register stop by the front desk and talk to Ben.

### Director News

Happy April to everyone!

My name is Becky Janssen and I am the new School Age Programs Coordinator for YES. I am very excited to be working with the Youth Enrichment Services program. I have been in South Dakota for 5 years now, since my move from the Chicagoland area. The people of Sioux Falls have impressed me so much that I have adopted the community as my own, and have developed a tremendous passion for the youth within the Sioux Empire. In one way or another, I have been working with the children of Sioux Falls since arriving, whether in the soccer community, at summer camps, substitute teaching, or when volunteering at the Multi Cultural Center. I hope to bring an energy and dedication to children that truly makes YES the premier afterschool program in the area. With my experience with children, an undergraduate degree in education and Masters in Administration, I want to help continue growing the Afterschool Enrichment Program / Summer Enrichment so that kids are counting the hours until school ends each day and year!

Be sure to say "Hi" and introduce yourself if you see me around at the various sites—I'll be the one in the thick of things playing games with the kids laughing my head off with a huge smile on my face!

Becky :)

2010

### Extended Hours

Care is available  
at the YES  
Eastside Learning  
Center on  
the following dates:  
**April 1st, 2nd &  
5th**

Please call  
339-2095 by 6pm  
March 29th  
to register  
your child for  
Extended hours.

### Summer 2010

Summer is just around the corner and all of us here at Y.E.S. are super excited about all the amazing things that are happening. You have probably seen us handing out fliers, singing camp songs or just getting kids excited about summer. Our desire is to provide a safe quality program that whether you come for one week or all of them your camper is having an experience to last a lifetime. Each week we will have swim days, special event days and we are going to have an amazing time. Please keep reading and looking for information as we Voyage toward Discovery.
