

Jefferson Afterschool Enrichment Newsletter Sioux Falls Public Schools

From the Lead

Spring is finally upon us! This month we will be having a community service project. We will be doing a Hop-a-thon to raise money for muscular dystrophy. Please watch for details.

With the weather getting nicer...we still need to remind the children that they need to dress properly.

Summer is approaching fast! For those of you who have not signed up for our Summer Camp, you may do so by calling our 14th Street. Our summer Camp is new and different this year. We have exciting themes and field trips planned to ensure fun filled days all summer. Ask your Jefferson Staff for more details!

Happy April to everyone!

My name is Becky Janssen and I am the new School Age Programs Coordinator for YES. I am very excited to be working with the Youth Enrichment Services program. I have been in South Dakota for 5 years now, since my move from the Chicagoland area. The people of Sioux Falls have impressed me so much that I have adopted the community as my own, and have developed a tremendous passion for the youth within the Sioux Empire. In one way or another, I have been working with the children of Sioux Falls since arriving, whether in the soccer community, at summer camps, substitute teaching, or when volunteering at the Multi Cultural Center. I hope to bring an energy and dedication to children that truly makes YES the premier afterschool program in the area. With my experience with children, an undergraduate degree in education and Masters in Administration, I want to help continue growing the Afterschool Enrichment Program / Summer Enrichment so that kids are counting the hours until school ends each day and year!

Be sure to say "Hi" and introduce yourself if you see me around at the various sites—I'll be the one in the thick of things playing games with the kids laughing my head off with a huge smile on my face!

Becky :)

Summer 2010

Summer is just around the corner and all of us here at Y.E.S. are super excited about all the amazing things that are happening. You have probably seen us handing out fliers, singing camp songs or just getting kids excited about summer. Our desire is to provide a safe quality program that whether you come for one week or all of them your camper is having an experience to last a lifetime. Each week we will have swim days, special event days and we are going to have an amazing time. Please keep reading and looking for information as we Voyage toward Discovery.
